

Cansurviving

www.cansurviving.com

This site is here to help anyone who has been diagnosed with cancer to explore and aid the healing process.

'This will be a life-jacket for people'
Jane (UK)

'What a fabulous website and great ideas! It's very helpful to have that mountain of information made digestible in a personal way. It seems to take a surprisingly long time to recover one's basic security after these events'
Dr RH, psychotherapist (Australia)
